

## Mathletics update

Thank you to all the children that have been working so hard on their Mathletics learning at home.

From 20<sup>th</sup> March until 1<sup>st</sup> May 457 certificates have been earned.

The children of Christchurch Infant School have earned 388 bronze certificates and 63 silver certificates. This is so many that we will not be able to email these out to you but they will be waiting for you at school when we return. There are also 6 children that have earned gold certificates! These will be emailed out to you to print at home.

Well done to all of you and keep working hard to earn your awards.

Mrs Green
